

LUXE PORTRAITS | *digital price list*

All images come fully retouched ready to print or share!

To allow the flexibility for our clients, we offer our digital images in colour, black and white, warm and cool tones.

We have two sets of packages, 'Print Me' or 'Share Me'. The 'Print Me' are produced in 300DPI with full resolution and unrestricted printing formats. What this means is that you are able to blow them up to your preferred size and they will be crystal clear.

Our 'Share Me' are produced at 72DPI printable to 8 x 12, perfect for social media, share with family and friends and printable to an A4 maximum.

To share with family and friends and print to 8 x 12 MAX
